PÂSHEE-THE ELEPHANT PAINTER

As large as a real elephant,
but surprisingly light
in its movements
and the elegance
of its floating trunk.

Pâshee,
the mythical
elephant,
using the tip

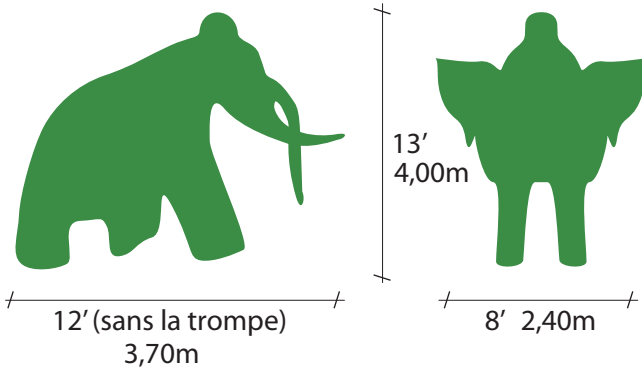

of its trunk, gently offers us its colourful vision of the world.

Pâshee the artist paints a canvas live or beautifies
the white costume of a stilt dancer in a symphony of colours!

Perfect for cocktails, Galas, corporate events,
public festivals, theme parks, fairs, etc.

Éléphant dimensions:
